

The draft criteria from Peter Reeve was examined and the following text was approved:

This award was instituted to recognise the outstanding achievements of graduates of the College. The Award aims to promote and encourage young graduates and to inspire other College alumni to follow in their footsteps.

Criteria for Selection

To be eligible students should have graduated from the College not less than five years previous to the award being made. An award may be made to a graduate who has excelled in academia, arts, indigenous culture, social/community contribution, business or sport

Academic Context Criteria:

- Outstanding scholarship measured by the award of a doctorate in any field and/or
- Academic achievement of national and/or international standing

Arts Criteria:

- A significant contribution to the visual and/or performing arts

Indigenous Culture Criteria:

- Important contribution to indigenous culture

Social Context Criterion

- An outstanding contribution in a largely voluntary capacity to a significant national or international program

Business Context Criteria

- Significant managerial responsibility eg. CEO, Board member of a national or international company

Sporting Context Criteria

- A significant individual achievement in a nationally and/or internationally recognised sport or membership of a team which has had success at the acknowledged highest level for that sport eg. World championship, Commonwealth Games, Olympic Games
