PRINCIPAL MESSAGE

What a great term 3 it has been so far – 6 weeks in and our school calendar has continued to be full of many opportunities for learning, creativity and achievement for our students. As we've emerged from the depths of winter, I've been particularly impressed with our students demonstration of persistence and resilience in the classrooms, working alongside their teachers in learning and completing the various assessment tasks that have been set.

I want to also commend our teaching and education support staff who have continued to roll up their sleeves and further develop their own practices around our areas of focus in 2024 – using the instructional model to support student learning in the classroom, developing rich and engaging curriculum in learning area teams, embedding 'tier 1' support strategies in the classroom to provide a predictable, safe and orderly learning environment and more recently engaging in Professional Learning Communities to reflect on small and significant changes they can make to their teaching practice to support our students with improved learning and wellbeing. It's been a lot of effort and I thank our staff for modelling the strategies of life-long learning that we want our students to also demonstrate.

I'm also very appreciative of your continued support for our school this term. I have been overwhelmed by the number of parents who have reached out to me personally over the past month to express their positivity around the way in which our school includes and supports all students. I thank you for the manner in which we consistently work in partnership to live out our ambition that 'Every Warrnambool Student Thrives'.

Kind Regards,

Dear Parents, Guardians, and Students,

As we approach the second half of a very busy term, I would like to extend my sincere thanks to everyone for their involvement in the recent subject selection process. Your participation has ensured that students are set on a path that aligns with their strengths, interests and future goals.

I am thrilled to celebrate the positive engagement we have seen from both students and families during the Expo evening and the Interview Day that followed. It was inspiring to witness the dedication and enthusiasm of both students and their families engaging in future focussed discussions. Your support continues to make a significant difference in our students' educational journeys.

Please remember to keep up to date with the latest reports and information available on Compass. Report #4 will be published this Friday, 24th August. These reports are crucial for staying informed about your child's progress. Additionally, our upcoming Parent-Teacher-Student interviews on Wednesday 28th August are a valuable opportunity to discuss achievements and areas for growth with classroom teachers. We are trialling a return to face-to-face interviews based on feedback. Bookings will open on Compass once the reports are published.

Lastly, don't forget to check out the Compass Digest that will be emailed to families on Friday 13th September. It's a great resource to stay connected with how your student is tracking with their learning tasks and assessments at school.

Thank you again for your ongoing support.

MERRI

CELEBRATION DAY

CURRY & PYJAMA DAY

It has been a busy start to term for our Merri community. It started with our team welcoming a new assistant, **Alistair McGillivray**, into our office with a rousing reception from our students. He has been an amazing support to our students so far and we are looking forward to his continued support throughout the rest of the year and beyond.

On the 26th of July we held our philanthropic day to raise funds for our charity **Loved & Shared**. The ever-popular Curry Day and bake sale returned, raising just under \$2000 dollars. These funds will be used to provide vulnerable young families and children with supplies in a time of need. This is our teams' favourite day of the year, as we get to see the Merri community come together to support a great cause. Thank you to all of the families, staff and students that donated curries, lollies, baked goods or money. Your support is very much appreciated. Congratulations to the McDonald family who won the raffle, drawn from the names of all contributing families.

A big thank you also has to be given to our student leadership team for organising the day and to the countless number of committed student volunteers who donated their time to help with tasks such as cleaning and serving to ensure the event ran smoothly.

Student leadership nominations for 2025 are now open and we encourage any student that would like to be involved in any of the leadership teams to submit their form to the House office. Please contact anyone on the House team if you have further questions.

A new edition to our day was the Spicy Curry Eating Competition. Six eager staff members put their hand up to represent their House and take on a spicy curry from India Gate. The curry was delicious, but too mild to test the brave palates. Plans for next year have begun to increase the amount of chilli - Let's see which House can handle the heat! A big thank you to India Gate for supporting our day and providing curries to be sold on the day.

Finally, a quick shout out to our brave assistant **Emma Hatton**, who shaved her hair in the World's Greatest Shave in support of blood cancer research. Well done on being an excellent role model for students in our school.

The Merri Team

FLAGSTAFF

As we approach the middle of Term 3, we are pleased to acknowledge some of our Flagstaff Falcons who are achieving wonderful things outside of the classroom!

Well done **Talia Hauraki** for competing at the SSV State Cross Country Championships in July. A fantastic effort to qualify and an extremely impressive run on a difficult track. A big congratulations to **Freya Miller** who can now add State Champion to her list of ever growing achievements after taking out the U/15 Time Trial & Road Race at the Cycling Victoria Junior State event held at Glenrowan on the weekend. We also congratulate **Lily Goodman** who swam at the Country Championships recently and claimed bronze in both the 12/13 girls 100m Butterfly & 100m Freestyle. Lily will go on to compete in a whopping eight events at the upcoming State Championships in September! Keep up your hard work and dedication girls, we cannot wait to see what you can achieve next!

We are also very excited to see **Zoe Borthwick, Sophie Dennis, Ella Forbes, Mia O'Keeffe** and **Seana Simmonds** showcase their skills at the upcoming production of the Great Gatsby! Break a leg girls!

With only five weeks left of term we encourage all students to continue to prioritise their education by ensuring prompt arrival to class with a fully charged device, books and stationery. Please see House if you need assistance with any of these requirements.

Continue being fabulous
- The Flagstaff team

LOGANS

Logans House has had an outstanding term so far, buzzing with activity both within and beyond the school community.

In the SSV Country State Championships the U14 boys team, consisting of **Hugo Beaton, Seth Crispe,** and **Andy Waltz** achieved an impressive 2nd place, competing alongside a strong Warrnambool College group including **Elfie Bourger-Hughson, Campbell Pedler,** and **Caleb Vesey.**

In the Western Vic Female Football League finals, the North Warrnambool Eagles U15s—**Lily Shand, Tessa Maher, Star Jackson,** and **Arlie Kelson**—capped off an excellent season with a Grand Final win, and **Tahlia Vesey** played a thrilling game to help secure a premiership for the South Warrnambool Roosters U18s. Talented footballers **Jyah Chatfield** and **Lily Shand** received Best & Fairest awards for their leagues and **Ellie Christoforou** won the WDFNL 17 & under Netball Best & Fairest. Lastly, 'Break a Leg!' to **Bella Mammone, Luka Price,** and **Jayda Scouler** who are preparing for the Great Gatsby production in September.

A huge shout out to **Cooper Karcew** and **Mr. Jenkin,** who courageously participated in the World's Greatest Shave, helping raise over \$2000 for the Leukaemia Foundation.

The Logans student leaders will soon be gearing up to organise our annual Christmas Food Drive for Western District Foodshare. During the first four weeks of Term 4 we will be collecting non-perishable donations to support families in need over the Christmas break. All contributions will be greatly appreciated.

Live, Laugh, Learn, Logans!

World's Greatest Shave

FANTASTIC FUNDRAISING

Over the past few months, the College Captains have been busily working hard behind the scenes to organise and deliver our passion project. We decided on the **Warrnambool College Worlds Greatest Shave Event**, as at the beginning of our captainship we created a vision inclusive of three key action words for our times in the role: compassion, cooperation, and community. These three actions words came to fruition, through compassion towards raising awareness for those facing blood cancer, cooperation for students, teachers, and staff who participated in a shave, cut, or colour, and community, by bringing our entire school together to support one another and get behind a great cause.

On Monday, August 5th, a total of 18 students and teachers bravely opted to shave, cut, or colour their hair at the school wide College Assembly, raising much-needed funds and awareness for the Leukaemia Foundation. We are proud to announce that through various fundraising efforts, an incredible total of \$3200 was raised by our school community.

On behalf of the College Captains, a massive thank you to everyone who made Warrnambool College's World's Greatest Shave event possible. In particular, we would like to acknowledge the generosity of some of our partners for the event: The Crooked Gentleman Barber Shop, Bakers Delight, Norfolk Butchers, Lowes, Dave Storer, Warrnambool College Big Life Team, and VM students, as well as anyone else who got behind the cause or donated!

As 2024 College Captains, we are immensely proud of the buzz this event brought to our school community. Moving forward, we hope to leave the Warrnambool College Worlds Greatest Shave Event as our lasting legacy at the College.

Zoe Borthwick, Nyasha Iervasi, Hayden McGovern, Mia Mills & Chelsea Redmond

STUDENT ACHIEVEMENTS

Warrnambool College students excelling & enjoying their passions & strengths.

A strong contingent of our students competed at the SSV Country State Championships in Yarra Glen earlier this term. Despite facing extremely tough conditions in the cold, rain and particularly muddy terrain, our Bullants showed incredible resilience and persistence to complete the run. Well done to all competitors including: **Elfie Bourger-Hughson, Sophie Burrows, Caleb Vesey, Louis Beaton, Campbell Pedler, Logan Bray, Edith Stretch, Edie Clift, Talia Hauraki** and **Bonnie Moon**. Special congratulations to **Andy Walz, Hugo Beaton, Seth Crispe** and **Jaawan Young** for securing second place in the Under 14 Boys Team Section. Outstanding effort!

Congratulations to **Lily Shand** (yr 8) on a fantastic football season and capping it off by winning the prestigious Western Victoria Female League's U15 Best and Fairest award.

Year 12 student **Jyah Chatfield** also capped off a fantastic individual season, playing with Russells Creek by taking out the Under 18 WDFL Best and Fairest award. Congratulations **Jyah!**

Ellie Christoforou (yr 10) is a talented Allansford netballer who finished a great season by winning the WDFNL 17 & under Netball Best & Fairest. Well done Ellie!

Congratulations to singers **Maisy Rowe, Henry Rattray** and **Penny Morrow** who joined the chorus of Opera Australia to present a performance of Puccini's La Boheme at the Lighthouse Theatre on Saturday, July 20th. Twenty young singers from the South West region rehearsed with local choir directors Jeanette Hajncl and Jillian Gundermann, (vocal teacher at Warrnambool College), before being tweaked for the big night by OA's chorus master, Su Choung and Assistant Director, Holly Neil. Pyjamas and party hats were in order as the young chorus set a festive tone forming part of a Christmas Market scene in 1970s Paris. The Opera played to a sold-out theatre and the students looked and sounded splendid!

HANDS ON LEARNING

Building connections with our community through real-world skills.

Students taking part in Year 10 Product Design Industry classes have been busy learning new skills and applying them to construct useful products under the guidance and expertise of Mr Jenkin and Phil Lawrence.

Students first project was to construct dog kennels. Students were firstly required to interpret technical drawings and plans in order to determine the amount of materials required. Sustainability practices were employed by repurposing wood from pallets. The finished result demonstrated the students emerging skills and another project was sought to continue their great work.

Suggestions to link further with the community led to the idea of connecting with a local kindergarten to construct mud kitchens for outside play areas. Concentrating on the building process, students again utilised sustainable materials. Working collaboratively, students measured and cut each section to size, built the frame, ensured rough edges were removed and cut the hole to place the donated sinks.

The children at Lions Hopkins Kindergarten were very appreciative of the kitchens and have certainly been busy putting them to good use, engaging their imaginations by making lots of delicious 'food', and having lots of fun.

Students thoroughly enjoyed this project and gained the satisfaction of making useful sustainable products.

Recently, our Warrnambool College Stars from years 8-10 attended Folima's Boxing and Fitness where they engaged in an intense 1-hour boxing session. A lot of sweat, high heart rates, and laughs were had.

During the session, Gym owner Alison gave valuable information on how boxing can assist with aggression management and improve mental health throughout adolescence.

Alison also spoke about the significance of using boxing in a safe controlled manner within the ring and not out in the wider community, she explained the unwelcomed consequences that may occur if physical contact was used outside of a controlled environment.

Alison also described other benefits including physical health improvement, weight management, promoting goal-orientated mindsets, teamwork, and respect, resilience and perseverance, and promoting discipline and focus.

To conclude the session the girls enjoyed a protein smoothie and rice cakes with tuna. Certainly a resounding success with the request to do it again from the girls.
