David Clift - Principal Report

There’s something quite special about witnessing the birth of new opportunities. Last night we officially opened our High Performance Centre and launched the Sporting Pathway Program at Warrnambool College. It’s been 12 months of thinking, planning, designing, consulting and labouring to get to this point. There are many people to thank, but Adam Matheson and Phil Lawrence deserve a special mention as the two people who dreamed up the program and physically developed the facility. I couldn’t help but smile when I saw the joy on so many student’s faces last night – I can’t wait to share in what they will achieve academically and athletically over their journey through our school.

I also got the opportunity this week to drop into the WAVE school ‘pop-up shop’ on Liebig Street. So much care and attention has gone into the products that they have made and I felt the student’s sense of pride as I wondered around the shop looking over what I might purchase. Pride is something that we have been trying to focus on with our students over the course of this term. Pride in the school, pride in each other, pride in self and pride in our achievements in and out of the classroom. I’m really pleased to see our WAVE students leading the way in these endeavours.

As the school holidays are approaching this weekend, you may have plans to travel on Victoria’s roads. Significant rain is expected to fall over much of Victoria over the next few days, which may result in flooding. Because of this rainfall, there is an increased risk to those travelling on our roads, and it is possible that houses across the State may be impacted as well. I urge you to heed the following advice from emergency services:

You should never drive through floodwater – it only takes about 15 centimetres of water to lose control of your vehicle.

Drive to the conditions around you and be aware of road hazards such as mud, debris, damaged roads and bridges.

Roads in your area could be damaged by the bad weather so plan your journey and monitor VicTraffic for road condition updates and any road closures, see: Vic Traffic

Never swim, walk or play in floodwater, it is dangerous and may contain hazardous debris or toxins.

If your property is at risk of flooding, please raise belongings onto tables, benches or beds and if you are on a farm, consider moving your livestock to higher ground.

Remain informed with emergency broadcasters to ensure you are up-to-date with the latest conditions and if possible, make sure your neighbours are aware of the situation. For more information, see: Vic Emergency

Fifth cycle reports will be online via Compass from Friday afternoon. Please take the time to go over reports with your child and discuss how they have been going in each of their subjects. I hope you all have a sense of pride in their achievements this term.

Have a safe and enjoyable holiday break – I look forward to seeing you when we return for term 4.

Kind regards,
At Warrnambool College we achieve success through persistence, resilience and mutual respect.

At Warrnambool College we achieve success through persistence, resilience and mutual respect.

It has been another challenging yet successful term at Warrnambool College. We have a vibrant school with some inspiring students and staff. As you read through the newsletter you will notice the exceptional achievements of our students in extra-curricular activities, academic success and leadership. As great as all these achievements are we want you as parents and guardians to highlight and celebrate the small wins with your child. Make a point of celebrating when they show some growth in their attitude and effort in the class they are struggling in. Make a point of celebrating the C they achieved on a SAC after 3 consecutive D’s. Make a point of celebrating a week without a demerit for uniform or lateness.

For each and every one of us here, staff and students should be striving to always be better, to continuously grow and change to be the best person we can be. For some of us that means small steps and for others it is the big success that gets highlighted. Telling our students and children that we are proud of them because they are striving to be better should be our focus. Let’s celebrate the little wins.

We have had a strong focus on Pride in the school this term, the introduction of recycle bins and greater opportunities for students to dispose of their rubbish has seen an improvement in the cleanliness of the yard. Being a good person means doing what is right even when no one is looking, so when it is 20 steps to the bin, do the right thing.

Exam time can be a stressful time for many students, and leading into this time it is important to keep an eye on balance. As a parent/guardian there are ways to support your child, here are a few handy tips

1. Quality is better than quantity. Make sure when students are studying that it is a productive environment. That means free from distractions such as TV, gaming devices, PHONES (Snapchat, Facebook, Instagram…….), and pestering siblings. A break out space is a great idea. 30 minutes of good study is better than 2 hours of distracted study.

2. Process is key. When studying make a plan and stick to it. 15 minutes of revising and redoing notes, 20 minutes of exam questions, 10 minutes of reflection etc. Rather than staring at the books and hoping you will work out what to do. Set goals and stick to them.

3. Balance. 3 hours of study a night might seem great, but breaking it up with some exercise, your favorite TV show, a treat, a catch up with friends will allow your child’s mindset to stay positive and focused. Work towards rewards.

4. Strive to be great. Good is the enemy of great. If you want to get the best results possible it means you have to put the effort in doing ‘enough’ is very different to doing everything possible. Strive for greatness and you will be amazed by what you achieve.

Make it a restful break and make sure you enter term 4 with high energy levels. Enjoy the holidays!!

DO YOU HAVE SPARE SCHOOL UNIFORMS?
We invite our families to donate any uniforms which you no longer require to our Wellbeing Centre.
We have many families in need of support so if you would like to assist please drop any donations into the College Administration office.
We sincerely appreciate your support.

A reminder to Year 12 families that the Year 12 students official last day is the day of their individual last exam. This date will depend on the individual student’s exam timetable.
ASSISTANCE is available for our DAIRY FARMERS
$375 per child if you meet the following criteria.

PLEASE COME AND SEE US AT THE OFFICE IF YOU FEEL YOU QUALIFY

<table>
<thead>
<tr>
<th>Program Background</th>
</tr>
</thead>
<tbody>
<tr>
<td>As part of the Victorian Government’s dairy assistance package CSEF is being extended to students currently enrolled in schools whose parents own, share-farm or lease a dairy farm business; or those people whose primary occupation is working on a dairy farm.</td>
</tr>
</tbody>
</table>

<table>
<thead>
<tr>
<th>Who is eligible?</th>
</tr>
</thead>
<tbody>
<tr>
<td>Do you match the following criteria and have a student at Warrnambool College? If so, please complete the application form at the back of this newsletter and return it to the College by the 18th of November.</td>
</tr>
<tr>
<td>- own an operating dairy farm</td>
</tr>
<tr>
<td>- are share farmers on a property primarily operating as a dairy farm</td>
</tr>
<tr>
<td>- hold a lease for an operating dairy farm</td>
</tr>
<tr>
<td>- work as an employee on an operating dairy farm and this is their main source of employment.</td>
</tr>
</tbody>
</table>

**We will require evidence to verify your application, ie:**
- a dairy industry license issued by Dairy Food Safety Victoria (DFSV)
- lease documentation
- share farming contract
- agreement with a dairy production/supply company
- a letter from an employer
- a statutory declaration stating the family’s main business or employment is on an operating dairy farm (in cases where other forms of evidence are not available).

Confirmation from a kindergarten that a younger sibling has been approved for the dairy Kindergarten Fee Subsidy on the basis of being an eligible dairy farming family (as above)

Families who received the means-tested CSEF payment are also eligible. However families that have previously qualified for the CSEF Drought assistance are not able to also access the CSEF Dairy assistance funding.

<table>
<thead>
<tr>
<th>Application Process</th>
</tr>
</thead>
<tbody>
<tr>
<td>Parents/legal guardians and independent secondary students need to apply for this assistance by completing the Dairy Assistance Application Form along with evidence as requested by 18 November 2016.</td>
</tr>
</tbody>
</table>

<table>
<thead>
<tr>
<th>Payment Details</th>
</tr>
</thead>
<tbody>
<tr>
<td>A one-off amount of $375 per student will be paid to schools for each eligible student. This amount will initially be allocated to cover Camps, Sports or Excursions expenses; however the payment may be allocated towards other school-based education expenses incurred by the family for the eligible student.</td>
</tr>
</tbody>
</table>

Please go to the following link or see an admin member at the Front Office for an application form.

Music Notes

Phew! It’s the last week of term, and yet the Music Department has not been slowing down!

We’ve had three big events this week!

Congratulations to the Junior Concert Band Senior Concert Band who performed at the Colac Bands Festival on Sunday 11th September. We had great fun entertaining the crowds and receiving many glowing reviews from those lucky enough to hear us! Thank you also to Erin Toulmin and the Warrnambool City Band for combining with our Senior Band students for a massive one hour set! ‘Crimestoppers’ and ‘Pixar Movie Magic’ pieces have never sounded so good. The Junior Band also impressed everyone with their dynamic half hour set of foot tappin' tunes, many were impressed that such a good sound could come from students who have only been learning their instruments for a few years!

Mr Clisby and the Senior Rock Band rocked the ‘R U OK?’ day at the Warrnambool Special School on Monday. Congratulations to Millie Quarell, Gabe Tejano, Aiden Morely, Shannon Philp, Tatiana Taylor, Zoe Wagstaff and David Parkes for running such a smooth and professional show! No wonder you keep getting asked to come back each year!

Finally we had Ballarat Grammar come perform and play with us on Tuesday. The Senior Concert Band and Ballarat Grammar enjoyed a combined rehearsal from 8am, learning ‘Hammer and Rail’, a piece inspired by a legend about John Henry, a former slave who worked on the railway and was challenged to a ‘worker’s duel’.
PERFORMANCE ANXIETY

Considering many of our Music students are expected to perform in public, in either groups or as a soloist, I thought it useful to cover a subject in the newsletter today that affects all of us: Performance Anxiety!

If the mere thought of playing your instrument in front of others makes your heart race, you are not alone! Performance anxiety can unfortunately affect our self esteem and confidence in our abilities, hence affecting us doing what we really enjoy doing - making music.

HOW TO RECOGNISE PERFORMANCE ANXIETY:

It can sometimes be very stressful when one is the centre of attention. Your body reacts similarly to what it would if you were being attacked. The “Fight or Flight” response kicks in. Possible symptoms can include:

- Rapid breathing and racing pulse
- Dry mouth and tight throat
- Cold and sweaty hands
- Trembling hands, knees, mouth and voice
- Nausea
- Possible changes to one’s vision

Confronting your fears and vulnerabilities, accepting yourself for who you are and not feeling like you need to prove yourself to others is a good first step in overcoming performance anxiety.

Another useful tactic is to redirect negative thoughts about performing in public. Please see below for 10 helpful hints to help you overcome some performance anxiety symptoms:

- Be prepared. Practice a lot.
- Limit caffeine and sugar on the day of the performance
- Shift your fear of the performance to the enjoyment of what you have to offer to your audience.
- Shift your focus on what COULD go wrong to focussing on your success
- Avoid thoughts that encourage self doubt
- Practice controlled breathing, meditation or other strategies to help you relax. Its useful to practice this relaxation technique often, even when you’re not about to perform.
- Shake out your muscles, go for a short walk, or jump up and down to help you relax any tension
- Connect with your audience, make eye contact with them
- Act natural and be yourself
- Eat a healthy diet, get lots of sleep and exercise!

I hope this info helps you prepare for your next performance! Good luck and happy music making!

Erin Toulmin
Cows Create Careers– Year 10 Food Technology

On Friday the Year 10 Food class headed down to the Mid City Motel to participate in the celebration activities run by Dairy Australia for the project they had completed. Various games and activities were run throughout the morning with a number of students participating. Ricky worked with Alannah and Denbi to win their activity. Alyssa and Ricky, and Laura and Kira worked as partners in the blind tasting activity with Kira’s in-tune tastebuds identifying the most foods. The challenge of putting together a flat pack milk carton was taken on by Will, Ricky, Lilly and Sara. The final cooking challenge saw John, Will and Ayouel pit their skills against time and an unnamed recipe. Great to see the keen participation from the students in these activities!

Dairy Australia run this project each year with the focus on careers in the industry and the ingredients produced. The students spent a few weeks in class working through the design process to develop a food product that was based on dairy ingredients. Their work was submitted for judging by Dairy Australia. Exciting news was that one of our teams won the individual team award. A very deserving win for their hard work went to ZAP – Zara, Alyssa and Pennie. We were also the lucky overall school winner. Well done to all students involved and thank you to the teachers who were the judging panel for the food products during the process.
Well done to all of our students who have accumulated a total of 20 or more merit points for exhibiting positive behaviours at Warrnambool College this year. Make sure you collect your prizes from your tutor.

Gabby Good has been awarded the highest amount of merits in Hopkins with a total of 62!

These students are not far behind - Connor Drummond (49), Madeleine Fedley (48), Stewart Manderson (44), Max Boyd (40) and Thomas Davis (40).

The following students have reached the thirties – Tahlia Hill, Alexandra Twaddle, Molly Jackway, Ella Wines, Jacqui Twaddle, Amelia Finnigan, Emily Abbott, Katie Dodds, Will Van Der Starre, Maya Lowen, Kathryn Ross, Lachlan Whiten, Levi Mason, Madison Hunt, Mitchell Annett, Gabriella Richardson, Seb Good, Claye Billings, Dujon Neoh, Louise Fowler & Zack Schurr-Hateley.

Finally, we have a massive number of students who have earned 20-29 merits including Ayden Suter, Ben Conboy, Declan McGillivray-Priedkalns, Jayden Annett, Lake Reddick, Merlin Clare, Dylan Langcake, Isabelle Dyer, Jayde Arnott, Jye Wilson, Eleesha Galbraith, Lachlan Abbott, Layla Wilson, Lily Johnson, Madalyn Wines, Nicholas Kilvington, Patrick Clisby, Chelsea Finch, Cody Quarrell, Declan Mitchell, Harrison Bond, Lachlan McLeod, Lili Cox, Zoe Campbell, Bethany Whyte, Hannah Garner, Jack Oates, Jasmine Whyte, Jesse Cowan, Tristan Godfrey, Alexandra Cannon, Cyrus fenn, Gabby Quarrell, Glenn Moore, Jake Golding, Laura Chakir, Matt MacLeod, Crae McCorkindale, Annabel Johnson, Hayley Smith, Logan King, Maddyson Flack, Sherkira Quarrell, Bree Golding, Chloe Gale, Courtney Dunn, Ethan O’Connor, Flynn Gurry, Gemma Bull, Jess Hollard, Michal Kilvington & Shearna Russell.

The current merit focus is PERSISTENCE. This means teachers are looking out for students who show true grit in the classroom, rise to the challenge, meet high expectations, remain focused, avoid distractions and display outstanding attitude and effort. We believe all our students are capable of displaying this college value both in and outside the classroom- so keep it up!

Thanks to Meg Shanley and Bella Rantall who have organised some cooking appliances for all Hopkins students to use. This includes a kettle, microwave and toasted sandwich press. We will be running a trial next week in A wing. Encourage others to treat the appliances with respect. If the area is kept tidy and nothing is broken, you will be able to enjoy toasted sandwiches, leftovers and noodles for the remainder of the year!

Grab your friends and enjoy a game of basketball, footy or four square! We now have a range of new sports equipment available for students to borrow at recess and lunchtime. You can trade something in to borrow one of these items and again, we ask you to look after them.

It’s hard to believe that we are now heading into term 4. We wish all our Hopkins students and their families a safe and enjoyable break over the holidays!
Logans Celebrations

Logans held a celebration assembly last week to congratulate our students on their achievements in WoW points. A special mention goes to tutorial L6 for currently leading the tally.

We would like to congratulate the following individual students on their achievement of the following impressive WoW point prizes:

20 Points and a Pen:
- Sienna Bellamy
- Brodie Greer
- Natahliia Hooley
- Teagan Rix
- Harrison Baker
- Dok Chan
- Daniel Dobson
- Colbi Grundy
- Noah Hetherington
- Laini Johnson
- Rhys Kent
- Madeline Main
- Joseph Pater
- Jesse Stow
- Serena Van Someren
- Renee Coppin
- Ethan Crameri
- Ella Dunn
- Johnathon Kinross
- Tiffany Tracey
- Ginger Conquest
- Maddison Cook
- Joshua Freeman
- Liam King
- Jemima Matheson
- Grace Prigg
- Tone Vlijoen
- Maya Fary
- Harry Kilpatrick

Ollie King
Owen Kirby
Kasey Pearson
Rachael Wallace
Ty Wood
Isabella Baker
Meg Dixon
Etta Harrison
Darcy Johnstone
Magen Keats
Sophie Weir
Wren Wood
Chloe Chadderton
Kaylee Hallinan
Jasper Harris
Toby McLauchlan
Ashlan Noonan
Declan O’Connor
Nathan Philips
Dylan Russell

30 points and a Frisbee!
- Sienna Bellamy
- Teagan Rix
- Colby Grundy
- Jesse Stow
- Serena Van Someren
- Ella Dunn
- Tiffany Tracey
- Liam King
- Maya Fary
- Isabella Baker
- Etta Harrison
- Magen Keats
- Chloe Chadderton
- Jasper Harris
- Ashlan Noonan
- Nathan Phillips
- Dylan Russell

40 points and a drink bottle!
- Liam King
- Maya Fary
- Isabella Baker
- Zoe Wilkinson

50 points and a stress ball!
- Liam King

Logans would also like to notify parents that from 12th September, David Alger will be moving into the Acting House Leader role for Logans House. We congratulate Mr Alger on his new role.

We would also like to take this opportunity to wish all students and their families a safe and happy break.
WOWeee! Arts Cup is done and dusted for another year where budding students mustered up the courage to perform their special talents in front of the whole school, and once again a number of Merri students stepped up. We had a fantastic number of students who put everything on the line and did an amazing job entertaining the crowds. Congratulations to the following students who took part:

Chenae Moore
Hannah Moon
Jaynee Turner
Rhiannah Maddocks
Grace Agnew
Patrick Howard
Niamh Howard
Eden Agnew
Cailin Moore
Jessica Benter

In what is fast becoming a Merri tradition that siblings teamed up to put on a performance. This year we were treated to the Agnew sisters Grace and Eden performance as well as Patrick and Niamh Howard playing in an inspiring duet! With the grind of reports, CAT’s, SAC’s and practice exams on top of the unceremonious Warrnambool weather that term 3 brings, these students shined!!

At this time of year, we always turn our attention to the Year 12 students who are heading into the home straight of their schooling career. It has been a pleasure watching these students grow up in front of us, and now we watch again as they prepare for the biggest test of their lives as mature, diligent and motivated young adults. We hope that they all enjoy and use the holidays to rest up and mentally recharge, but keep one eye open for their impending exams.

Also at this time of the year, we begin to prepare for the future by starting the nomination process for the Merri Student Leaders. Over the last couple of weeks students have been filling out leadership forms and putting their best foot forward. In the first week of Term 4 the Merri students will vote on who they want to lead them in 2017 and from there, those leaders will be a part of the interviewing process as they select the team that they feel will represent the house best. It is a fantastic opportunity to make a difference in the school outside the classroom walls, as well a chance to develop leadership skills, attend a leadership camp at the end of the year and work with students of all different year groups. If you think this sounds like your child, please encourage them to grab a nomination form from the Merri office. We wish all Merri students and families a great holiday and look forward to another bumper Term 4.
For the past two years, the Passport 2 Employment program has occurred in Warrnambool. This program provides selected students the opportunity to participate in a 6-7 week program with other students from local and regional secondary schools including students from as far afield as Timboon and Camperdown.

This year’s program took place each Monday from July 18th until August 29th, beginning each session at SWTAFE in Timor Street. Over the course of the 7 weeks, the students participated in sessions on –

1) Improving presentation and interview skills for potential employers. Following from these sessions, students then participated in 2 Mock Interviews, in a “speed dating” format.
2) Visiting workplaces around Warrnambool including Warrnambool Toyota, Bunnings, The Flying Horse Inn and Tasty Plate.
3) Getting physical at Aquazone Warrnambool with a personal trainer and fitness session.
4) Shopping for clothes for their mock interviews at Kmart Warrnambool.

Education Support staff from SOLO assisted with the program working with students from all the participating schools.

The final week for the P2E program culminated in a Graduation ceremony, presentation of certificates and information from community providers concerning future vocational and training pathways and supports.

Library News

The library has introduced games which can be played in the central area of the library at recess and lunchtime.

Games include: Scrabble, Rummy-O, checkers, boggle, yahtzee, sea battle, upwords, snakes and ladders and dominoes.

If anyone has any board games sitting at home they no longer use, we would love to give them a new home.

Stay tuned for more exciting things happening in our Library.

The library ran a competition for students to choose who they thought would win the picture book of the year. The winner picture book was “FLIGHT”

Congratulations to Ella Wines for winning a $50 Warrnambool Books voucher and Liam Meekes who won a $30 Warrnambool books voucher for choosing the winning book.
During the last month in Belfast our students and student leaders have been very busy. On the 29th of August our student leaders (Maddy Solly, Drew Garner, Lachlan Nicholson, Aislinn Primmer, Ruby McCorist, Tom Cowling, Sarah Forbes, Mackenzie Van Der Starr, Lydia Sharp, Ruby Bilson) gathered after school to complete some administrative tasks along with a walking “tour” of other house offices to gather ideas we could implement into our Belfast House. During the last month we had surveyed Belfast students to gauge their thoughts regarding house connections, effectiveness of tutorials and their feelings of connectedness to their house. We also completed a spin session run by Gault McCluggage and then we had tea at Fishtales.

Part of our action on this night was to look at our student leadership profile for 2017, to look at expressions of interest for student house leaders and develop a voting proforma which would be distributed to our students in a house assembly. The students voted last Monday and the student leadership group will be announced in the first week of term four.

In this assembly we also gave out over 100 WOW awards to our fantastic Belfast students. We had almost 50 students who have gathered more than 30 merits over the year which is a great result. During our assemblies we have also celebrated Belfast student success outside the classroom which included:

- Denbi Lamb completing the English Channel Relay Swim
- Lachlan Nicholson, Ashley Giblin and Rhys Fallon being part of the Senior Boys state champions Hockey team
- Tara Elliott winning the HFNL Under 14 Netball Best and Fairest
- The following students being part of the school production “LEGALLY BLONDE”
  - ALEX AUSTIN
  - SARAH FORBES
  - AISLINN PRIMMER
  - ANGUS MORLEY
  - SAMANTHA NICHOLSON
  - MADELINE SOLLY
  - JESSICA VINALL
  - AYSHA FISHER-GROSE
  - EVE GARNER
  - NATHAN McTAGGERT
  - LACHLAN NICHOLSON
  - LILY READING
  - PYPER TEMPLETON
  - ZOE WAGSTAFF
Year 7 Soccer

On the 2nd of February the year 7 boys soccer team headed to Melbourne to compete at the state championships. The boys had enjoyed a smooth journey to this level and were undefeated at local and regional level. We were fortunate to have a strong support group of many parents and students who got up at the crack of dawn to make the long journey down with us.

In the first game we came up against a strong Bendigo side, who eventually went on to play in the grand final. Our boys were a little slow to start, conceding 4 goals in the opening five minutes. As the first half went on the boys began to gel together and recapture some of the form that guided them to the state championships. Declan Mitchell and Liam Matthews were incredibly solid in defence, saving many attacking runs from a talented Bendigo midfield and. Jessie Farley was also racking up many possessions down the left side of the field. With a goal keeping change at half time, the wonder story of Daniel Dobson began; his safe hands became ball magnets as he dived, punched and deflected many great shots on goal. The boys conceded four more goals, however improved considerably in the second half. Final score Bendigo 8 - Warrnambool 0.

In the second game against Wodonga, the boys were far more focussed and technically aware. Our defensive formation was rock solid and our chances in attack began to develop. Despite battling a cold, Will Van Der Starre ran approximately 10km in this game, almost single-handedly dominating the defence, midfield, and making attacking runs as well. Ravi Garner and Seth Bevan were putting through some great passes in the midfield and Tyde Locher was relentless in defence. In the second half Daniel Lewis pushed past several defenders and put through a great pass to Liam King aka Purple Rain, who put in a stunning finish to score the teams first goal, and the first ever Warrnambool year 7 goal at state level. The boys battled the game out well and were proud of their efforts matching it with what was a very talented Wodonga side. Final score Wodonga 8 - Warrnambool 1.

In the final game, Warrnambool dominated the opening ten minutes against Northcote. Nathan Phillips looked dangerous and despite picking up a back injury in the second game, continued to dance around opposition defenders. Will Janssen asserted himself in the back line as did Mark Tate who held up the opposition forwards to great effect. Jesse Brincat began to use his silky touch, putting in absolute gems of passes down the wing. The boys were awarded for their effort when Nathan Phillips scored one of the goals of the day with a beautiful long strike into the top corner. Nathan again scored in the second half, bringing his total goals for the school competition to over a dozen. In the second half our injuries and fatigue began to take effect and the Northcote attack began to gel, slotting home several goals. Final score Northcote 9 - Warrnambool 2.

Congratulations to the all of the Bullants boys for their efforts and attitude on the day. A special thankyou to all of our supporters and helpers, in particular to Will Summers and Luke Blackburn who ran the water and tirelessly cheered their mates on and to Ethan Lewis who coached the boys in the first two rounds of the competition. We are looking forward to training hard next year and improving on our 2016 results.
Family, friends and staff are invited to attend the VCE Studio Art Exhibition. The exhibition will showcase students’ Unit 4 Final pieces and Unit 3 and 4 Folios.
The free workshop will run on Thursday 29th September. Brophy/Waveform will be providing transport from CYC Timor Street leaving at 7AM and returning around 8PM. The workshop will run from 11am-4pm at SYN House on 16 Cardigan Street Melbourne and at RMIT University. The workshops and lunch is fully funded and organised by SYN with Brophy/Waveform supporting transport, Breakfast and Dinner for young people from the South West. Contact Sam Maloney smaloney@brophy.org.au for further information.

Thank You!

To the Warrnambool East Primary School Teachers and Preps for allowing us to bring a Pop Up Farmyard to your school on Friday 9th September!

Thank you for having us and we hope you enjoy learning about food and farming during next term.

From the Warrnambool College VCAL Class of 2016
At Warrnambool College we achieve success through persistence, resilience and mutual respect.
SICK BAY

Any parents picking their child up from the sick bay will need to enter via the Russells Creek entrance and drive past the pool and follow the signs located on the school buildings. There is a short term car park near the new climbing tower. Please follow the signs to the location of the sick bay.
