David Clift
Principal Report

Wow – what a term this has been. It continually amazes me just how much one school can fit in over such a short period of time. Just this week we’ve had incredible success with the interschool athletics and swimming sports, winning the overall athletics trophy for 2016 and having the vast majority of swimmers qualify for State finals. We also had parent teacher interviews that provided thousands of conversations to explore student learning progress and areas for further development. We certainly haven’t slowed down as the term has progressed.

I think what has impressed me most this term is the incredible sense of pride that students have had in their own achievements and that of their peers. Celebrations have been shared, not individually hidden and it is this positive culture that I have been privileged to witness again and again.

Next term will no doubt be just as busy as this one, which will present both challenges and opportunities for our staff and students. I know we will rise to such challenges and grasp such opportunities collectively and continue to celebrate the great school that we are all part of.

I hope you have a safe and restful break over Easter.

Kind Regards,

Dave Clift
Principal
22nd March, 2016

Dear Parent & Guardians,

We have completed a very thorough selection process and we are pleased to be able to announce that the provisional appointment of our new Principal for Warrnambool College is Mr David Clift.

The council congratulates David on his appointment and looks forward to working with him and the staff into the future.

David led the development of the Warrnambool College Way document which is the value and vision base document of Warrnambool College. He has been Acting Principal for term 1 2016, overseeing a smooth transition. David is a fair and honest leader with strong values who is now proud to lead the school which shaped him as person being a former Warrnambool College student.

Over the past several years Warrnambool College has undergone many significant and valuable improvements, the future is bright for our College, students and staff.

Yours sincerely

Leanne Williams
School Council President
On behalf of the Assistant Principal team can I extend our congratulations to Dave Clift who has been appointed as the Warrnambool College Principal for the next five years. Dave has made a smooth transition in the acting position and we fully trust him to guide our school through the next exciting phase.

We wish all students travelling to Shanghai during the holidays to visit our sister school all the best. The College staff- Colin Payne, Kathy Stacey and Anna Han have been working tirelessly behind the scenes to get this trip up and running in a short time frame. We are sure they will have a fantastic experience and broaden their cultural understanding.

Term One has been quick but full of amazing opportunities for our students. Our staff continue to devote their own time to ensure our students have the best possible opportunities for them to achieve their best outcomes in academic subjects and extra curricula activities/events.

**IMPORTANT DATES IN THE FUTURE**

- 11th April – school resumes
- 13th April – Merri Out of Uniform Day
- 19th April – Year 10 Mock Job Interviews
- 20th April – WARRNAMBOOL COLLEGE OPEN NIGHT
- From 5.30pm – open class rooms
- From 7.00pm – Information session and school tours
- 22nd April – ANZAC Day Assemblies
- Our students will be representing their peers at many ceremonies on ANZAC Day

**I wish all families a happy Easter and a wonderful term break holidays.**

**See you all next term.**
An elite team of aquatic Bullants represented our college at the Victorian regional swimming finals. 49 schools attended the meet and with just 9 members, our team was one of the smallest (for example Hawkesdale and Heywood both took almost twice this number). Swimmers were eager to impress with only the winner of each final progressing to the State championships in May.

Put simply, the Warrnambool college team put on a clinic collecting 37 medals, a string of PB's and the hearts and minds of all who attended. This secured second place on the overall points tally - an exceptional achievement from just nine swimmers.

Here is a breakdown of some personal highlights from each swimmer:

**Noah Best:**
- At just 13 years of age he took a massive step up and competed in the under 20's relay team for freestyle and medley (backstroke).
- In the medley relay Noah swam first in the backstroke leg to put the relay team in first place at the change-over.
- Finished with 3 gold medals from three swims (Relay, IM Relay, 50 back)

**Gabby Good:**
- Gabby entered the pool today three times (200 freestyle, 200 individual medley, 100 Freestyle Medley), and walked away with three gold medals.

**Denbi Lamb:**
- Won the the 400m freestyle by over a minute but unfortunately was later disqualified from the event due to incorrect registering procedures.
- Took command of her leg of the winning relay swim and will still proceed to state champs in May.

**Rachel Vickery:**
- Rachel collected a trio of gold in the 50 metres fly, free and backstroke.
- Competed commendably in the open girls backstroke.
- Came fourth, before sprinting back to the other end to compete in the very next race (which she won).

**Seb Good:**
- 4 Golds (100 freestyle, 200IM, Relay Freestyle, Relay IM)
- silver (100 Breaststroke).

**Brittany Leach:**
- 3 golds (50fly, 50 free, relay)
- a silver and a bronze.

**Blake Turner:**
- 5 gold medals (100 fly, 50 fly, 50 free, Medley Relay, IM Relay)
- Silver in the 100 freestyle.
- The winner of the 100 freestyle is unavailable for state championships however, and thus Blake has progressed in this event and will swim in 6 races at the state titles.

**Trey Ahu:**
- Silver 200m Freestyle.
- Bronze in the 50 backstroke.

**Rhys Kent:**
- 5 gold (50 breast, 50 back 200IM, Relay, IM Relay)
- 2 bronze (50 Fly, 50 Free)

Please congratulate these awesome individuals when you see them, and wish them all the best for the state champs which will take place on the 19th of May.

A huge thank you goes out to Sonia Prewett and all the parents who cheered and supported our students enabling them to compete at their very best.
What a day we had at Brauerander Park for our School Athletics Day. The colour and costume made for a carnival atmosphere and it was great to see so many students actively participating in many events on the track, in the field and on the hill for the novelty events.

A special thank you to Peter Varley for setting up and operating the timing system on the day, your assistance was invaluable. Also to all students, thank you for participating in such fine spirit and showing incredible sportsmanship throughout the day. The day also would not happen without the support and cooperation of all staff. A huge thank you to you all.

Following on from our School athletics we had over 140 students qualify for the Warrnambool Division Athletics day at Brauerander Park on Tuesday 22nd March. And what a day we had. From the outset Warrnambool College students were amazing with a number breaking long standing records and all doing their absolute best at representing our school. I saw many examples of fantastic sportsmanship with our students congratulating fellow competitors from all schools at the completion of events. They should be commended for the way they conducted themselves throughout the day.

Once the relays began our students stepped it up and shone. From 12 relays we came away with 7 firsts, 3 seconds and 2 thirds.

The day culminated in Warrnambool College being crowned overall CHAMPIONS. An amazing effort from every student who participated and encouraged each other. Well Done.

Thank you to the wonderful staff and parents who came along to assist on the day.

We will have a large contingent of students who will now qualify to compete at the Greater Western Region Carnival in Ballarat on Friday 7th October.

The 2016 Warrnambool Cheese and Butter Adrian Meade Dairy Innovation Program is now inviting applications from Year 10 and 11 students aged 15 or over who are interested in a career in the dairy industry. This is a six-day structured workplace learning program in the June/July school holidays for up to 12 students from across WCB’s milk supply area.

The idea of this program is to show students the scope of careers in the dairy industry and to show how each career fits within the dairy supply chain. The program provides an insight into careers in the industry in areas such as agriculture and related service industries, trades associated with manufacturing, supply chain management and logistics, food technology, engineering, and sales and marketing.

Feedback from students, schools and industry partners about the previous years’ programs has been very positive.

Application forms are available from WCB’s website: www.wcbf.com.au or contact coordinator Louise Thomas on 0418 443 433 or email louise@lthomaswriter.com. Applications close 5 pm Friday 29 April. Selection is by interview at the school.
ABSENCES

Parents/Guardians are required to record all student absences via Compass.

To log into Compass to record the absence for your child directly, the link to this site is www.wblcoll.vic.jdlf.com.au or you can Google the Warrnambool College website and click on the Compass link.

If you have lost your log in details, please do not hesitate to contact the school office on 5564 4444.

It is a legal requirement for parents to log in to Compass and approve an early departure before they need to leave. Alternative a note is to be sent if your child is signing out of the College early. Unfortunately we cannot accept a text message sent to the student’s phone as permission, nor verbal permission. It can sometimes be very difficult to contact a parent to seek permission at the time the student is signing out if they don’t have prior permission. In this case we are not permitted, by law, to allow the student to leave the College.

WAVE Site

We have been in negotiations with DET (Department of Education and Training) regarding the relocation of our WAVE (Warrnambool Alternative VCAL Education) Campus to a new learning environment.

At present WAVE are staying at the 72 Henna St premises for at least first term. We are actively working on relocation options which we hope will be in the short term future.

In the meantime please refer any WAVE related queries to the usual WAVE contacts – ph: 5562 9279, address 72 Henna St.

CONVEYANCE ALLOWANCE

The DET (Department of Education and Training) provides financial support to some families to assist with the cost of transport to school. Assistance in the form of a conveyance allowance is available to students who live in rural and remote areas who do not have access to a free school bus service. The conveyance allowance is payable to parents of students who meet the following eligibility requirements:

♦ must be between 5-18 years of age
♦ Must travel 4.8km or more from where they live to either the nearest denominational school and not have access to a government school bus route or
♦ Must travel 4.8km or more to the nearest government school bus route.

Forms are available from the front office and should be submitted as soon as possible.

Please contact Karina Said on 5564 4444 for further information.

2015 Awards

Could parents please ensure that students who received a monetary award at the 2015 final assemblies, bank these cheques. This will enable the school to finalise the balance of accounts.

Bullants School Socks

Bullants School Socks can now be purchased at the front office for $10 a pair.
In term two, year seven students will be studying a unit called “Water, Waste, Mix and Separate” in science. To support the classroom learning in our classes, the Science faculty has arranged for all Year 7 Science classes to tour the Wannon Water treatment plant, located in Albert Park (just near school).

Students will have a learning task to complete as part of the visit, so it is an expectation that all students will attend. The excursion is happening during our normal class time and there will be no cost to students. No additional permission note required as it is a local excursion and during a timetabled lesson.

Students are to wear their normal school uniform. In case of inclement weather, students need to bring a rain jacket or similar as we will be walking to the treatment plant. Please keep an eye on Compass for your son/daughter’s scheduled class visit which will be between Wednesday 13th April and Tuesday 26th April.

Should you have any queries about this excursion, please contact your child’s Science teacher.

About 30 of our junior hockey players have been hitting the pitch for the last month on Tuesdays at 4pm. They range from absolute beginners to those who have been playing for a few years.
ANZAC Services 2016

Students are invited to take part in the Anzac day services- Warrnambool College.
More information will be placed on compass at the beginning of Term 2.

Selamat siang!

It’s been a busy start to the year in the Indonesian department, with many exciting happenings. You may have noticed a new sculpture outside the home economics building - a life-sized Komodo dragon created by a local chainsaw artist Andrew Rankin. We are now running a competition to name the giant lizard! Please write your suggestion for the Komodo’s name on a piece of paper along with your name, form and house and pass it onto an Indonesian teacher (Bu, Bu, Mbak, Pak or Mas)! There are some wonderful prizes up for grabs! Entries close the end of May, so put your thinking caps on.

The number of students studying Indonesian in 2016 is at an all-time high for the college, with our enrolment levels among the highest in regional Victoria. Thus we now have five Indonesian teachers employed at the college. We welcome Mbak Prince and Bu Burchell to our team. We are very proud of how the staff, students and community have embraced the studies of this wonderful second language. To keep the momentum going, on Thursday, May 19, we are hosting the regional Indonesian speaking competition at the college. In the past we have had students place at state level in this competition. We have six schools - both primary and secondary - interested in competing at this event, which is wonderful. It will cost $5 to enter and students interested in competing will be supported in their preparation in class. Entry forms will be available early in term two. Let’s show the state what we can do here at the college!

Finally, we have started to prepare an exciting itinerary for a study tour to Indonesia in March/April 2017! Many of us are still remembering fondly the wonderful trip of 2015 and can’t wait to do it all again! We will hold a parent and student information session early in term two to gauge interest and collect deposits to book flights. Stay tuned for more information early in term two.

Once again thanks for your ongoing support and enthusiasm for the study of Indonesian language and culture at Warrnambool College, where we bring language to life.

Terima kasih!!
On Monday, March 7th, The Bullants played Emmanuel first up in the battle of the Warrnambool Cup and more importantly for bragging rights as the best team in town.

A strong easterly breeze was blowing to the Midfield end of the ground and The Bullants had a squad of 32 players who were ready to march their way to victory.

Emmanuel won the toss and kicked with the wind in the first half. Emmanuel kicked a few behinds but for the majority of the half The Bullants out played Emmanuel. We controlled the ball well. Took our time and held Emmanuel up when they tried to play on. At half time, Emmanuel didn’t register a goal, kicking 4 behinds and The Bullants managed 2 behinds. We loaded our forward line up in the second half and were winning plenty of the ball, but were forced wide and couldn’t capitalise on our dominance until half way through the quarter when Liam Antonio took a strong mark and converted from 25 meters out. We hit the lead and looked full of running. Hopefully, another few quick goals and Emmanuel would drop off.

Unfortunately, this didn’t happen. Emmanuel started to win their share of the ball, clogged up our forward line and were able to kick a few points into the breeze. With 2 minutes to go Emmanuel kicked a goal to regain the lead. This stung the Bullants and maybe lifted their work rate. The final 2 minutes the ball was going up and down the ground and finally, the Bullants forced their way forward and kicked a goal on the siren to win the game! We were ecstatic! However, this triumphant victory was short lived as it was claimed that the goal was kicked after the final siren. This was a controversial decision! Both coaches had to consult umpires and officials. We could have appealed and protested but at the end of the day it was declared that we kicked the goal moments after the siren. The way the Bullants handled themselves under these circumstances was simply outstanding. Yes, we lost to Emmanuel again by under a goal for the third consecutive year. But, we are building a culture of respect, persistence and resilience in these young men! We still succeed and go on to the SSV competition where we have made the state final twice in the last 5 years.

In the second game, we let Brauer borrow 6 players as they were short. So, the result was never in doubt. Overall, a large number of participants represented the college in fine style. See results below! #Go Bullants!

WC v EC
WC 1 Goal 3 Behinds = 9
Lost to
EC 1 Goal 7 Behinds = 13
WC Goal kicker: Liam Antonio.

WC v BC
WC 7 Goals 0 Behinds = 42

Dear Parent/ Guardian,

We write to invite you to an information evening on 'I CAN South West' on Wednesday 13 April, 6.30pm at Brauer College in Warrnambool.

Our school has been involved with developing the concept of 'I CAN South West' which we hope will become the regional network for I CAN Network, Australia’s first social enterprise founded by people with Autism.

I CAN Network delivers a mentoring program for people on the Autism Spectrum across primary and secondary schools, universities and TAFEs and workplaces. Its point of difference is that the program is delivered by mentors on the Spectrum, typically people who are at a university or TAFE or a young professional on the Spectrum.

The program places an emphasis on leadership and develops pathways for young people on the Spectrum, including their progression into an I CAN Mentor where they earn a casual wage to deliver mentoring to others on the Spectrum.

I CAN Network has experienced high success with this model and has attracted a lot of national media and government interest in its deliberate approach working through people on the Spectrum. The main asset of the organisation is its Autism culture which is created through its quarterly camps run by leaders on the Spectrum. The next camp, which is available to your family to express interest, is occurring from 15-17 April 2016 at Kangaroobie on the Great Ocean Road in Princetown.

We would love for you to join us for an information evening at Brauer College in Warrnambool where we will be discussing the roll out of I CAN South West's mentoring program for high school students on the Spectrum. Together the Warrnambool Schools have worked with South West TAFE to arrange group mentoring for local high school students on the Spectrum, set to occur fortnightly on Thursday mornings, starting from Thursday 28 April.

Here are the details for the upcoming events:

**Info Night:**
- Family Information Evening on 'I CAN South West'
- Wednesday 13 April, 6.30pm – 8pm
- Brauer College, 37 Caramut Rd, Warrnambool
- RSVP to ziegeler.kerry.f@edumail.vic.gov.au

**I CAN South West Camp**
- I CAN Teens Camp (for 14-18-year-olds on the Spectrum)
- Friday 15 – Sunday 17 April, starting 7pm on Friday 15 April
- Kangaroobie Camp Site, Great Ocean Road, Princetown
- Website: [http://southwest.ican.network](http://southwest.ican.network)
- Register interest via: [http://goo.gl/forms/AVKrNXzQNT](http://goo.gl/forms/AVKrNXzQNT)
- Email: southwest@icannetwork.com.au

We're very excited about the possibilities I CAN South West holds for our students. This model really wants to see Warrnambool benefit from embracing Autism and connecting our young people with great opportunities.

Please do not hesitate to get in touch with us and ask questions. We hope you can join us for the information evening on Wednesday 13 April.

Yours faithfully,

Kerry Ziegeler.

S041-2016 Student Accident Insurance/Ambulance Cover Arrangements and Private Property Brought to Schools

- Parents/guardians of students, who do not have student accident insurance, are responsible for paying the cost of medical treatment for injured students, including the cost of ambulance attendance/transport and any other transport costs; and
- Parents/guardians can purchase insurance policies from commercial insurers
- The Department cannot advise parents/guardians on whether to purchase a student accident policy/ambulance cover, or which policy to purchase. It is recommended that they seek assistance in this matter with their insurance broker or find a suitable personal accident insurer in the Yellow Pages or online.
- Personal property is often brought to school by students, staff and visitors. This can include mobile phones, calculators, toys, sporting equipment and cars parked on school premises. As the Department does not hold insurance for personal property brought to schools and has no capacity to pay for any loss or damage to such property students, staff should be discouraged from bringing any unnecessary or particularly valuable items to school.

CSEF & State Schools Relief Uniform Initiative Forms

Any parents who hold a health care card and who have not filled out a Camp, Sports and Excursions Fund (CSEF) form for this year, please follow the link to print a form. Once completed, please drop it into the front office. http://www.education.vic.gov.au/Documents/about/programs/health/csefapplicationform.pdf

State Schools Relief Uniform Initiative is only available to parents of students who are going into year 7 and hold a health care card. If you have not filled out one of these forms, they are available from the front office.
