UNIFORM ORDERING

IMPORTANT DATES/INFORMATION

- Orders open 19th October
- Orders close 19th November
- The link for orders can be found on the WC website for all SPP families. There is a document to read before making an order. This will take you to an online fitting support clip and the online ordering hub.
- Please ensure you follow the measuring tips - these will provide you a guide on which size to order
- If you require further info - 55644444

Orientation Day for SPP students

7th December

Once we have finalised what this day looks like - all SPP students are encouraged to wear active wear (including sneakers)

Students will have one session of SPP during the day

Students will receive their - class choice sheet. Students can put 2-3 names of others students that they would like to be with next year. Students return these forms at their screening session.

SPP classes will then be developed after this information is received.

If for any reason the Orientation Day can't occur, then SPP classes will be developed from information provided by primary schools.

SPP @ WC from 2022

Screening

- Usually screening takes place in the last week of school year
- We are hoping that this can take place this year
- Students will receive information at the Orientation Day Program if we can run the sessions and when your child is scheduled
- If we can't - then we will screen at the beginning of next year
