

Dear Parents/Guardians

Your child will be using Edrolo as a resource in Year 7 and 8 Mathematics to support their studies in 2025. The following information outlines the key benefits of this resource for your child and provides instructions for them to access their Edrolo account for the first time.

The cost of the digital subscription is managed internally by the school. If you would also like to purchase a physical hard copy of the textbook (optional) for your child, you can do so through the Edrolo Payment Portal. Detailed instructions on the cost and how to complete this process are provided below.

What is Edrolo?

Edrolo is a teaching and learning resource designed to offer 24/7 support to students. It consists of video theory lessons aligned to the study design, and is delivered by expert teacher-presenters. It also includes video solutions and sample answers to help students prepare for assessments and maximise their exam marks. Teachers will use the data from this to target support and make sure your child is on track with their studies throughout the year. Your child can access the course materials on Edrolo at any time, and also flag content to revisit or where they need extra support from their teacher. Edrolo is used by 95% of schools across Victoria, including the Top 20 performing high schools.

Your child might be asked by their teachers to use Edrolo for:

- prescribed homework
- pre-class work
- post-class consolidation
- self-study, assessment preparation, and exam revision

What does Edrolo cost? (incl. GST)

- Edrolo Daily Plus: The school is managing the digital textbook cost internally but you are able to purchase an optional printed textbook (delivered to your home address) for \$51.95 .
 - Delivery of the printed textbooks will take place in late January 2025 in time for the commencement of classes.

Edrolo will charge an invoicing and collection fee of 5% and credit card processing fee of 1.5% on all payments processed through Payment Portal.

How do I pay for the hard copy textbook via the Edrolo Payment Portal?

Payments can be made via the school's dedicated Edrolo Payment Portal from Wednesday 4th December until the 28th of February. As your child will be using Edrolo as a key resource in Year 7 and 8 Mathematics, please ensure payment is made early to ensure they can start using Edrolo immediately to kickstart their studies. Step-by-step instructions on how to pay can be found [here](#).

Please see below for instructions on how your child can activate their Edrolo account in order to access the Payment Portal to complete payment.

How do I activate my child's account?

If your child accessed Edrolo in 2024, their account will be active and you can log in with them as normal to pay through the Payment Portal as per Step 6 below. If your child is new to Edrolo, please follow the instructions below first:

1. Go to: www.edrolo.com.au/activate/mbf-kzr
2. Enter your child's surname and check that it recognises their correct first name
3. Enter your child's school email address and choose a secure password that they will remember
4. Click 'Let me in'
5. Edrolo will send a confirmation email to the email address you used above – head to this email and click the activation link. If you don't receive the email, please check your spam or junk folder.
6. Once you have signed into your account, click on the "**Pay now**" button in the top right-hand corner of your screen and follow the prompts.

If you have an account but can't recall your password, head to our [reset password page](#).

If you're still having trouble, contact our Edrolo's Customer Service Team: help@edrolo.com.au or 1300 EDROLO (1300 337 656).
